Certificate of Completion

Sarah Padula

has completed the IRIS Center's
Online Professional Development Training on:

September 26, 2020

Progress Monitoring: Reading

Module Objectives

- Identify the different types of classroom assessments
- Understand how progress monitoring, in particular general outcome measurement (GOM), can inform instruction
- Administer, score, and graph GOM measures
- Evaluate student data to make informed instructional decisions
- Use graphs to facilitate communication with student, parents, and other educators

2 Professional Development Hours
