

Meet Your Teacher

Miss Padula

Hello! My name is Miss Padula and I will be your student teacher in Mrs. Gilson's room until April 30th. I am a current senior at Thiel College, but I am originally from Cuyahoga Falls Ohio. In my free time I love being outside and being around my family. In the summer I am a camp counselor for YMCA Camp Y-Noah. After graduation I plan on moving to Florida where I hope to be teaching special education.
